

HTR Polled Shorthorns

They All Sell

May 31, 1969

Dear Folks -

It is a pleasure for me to write this letter to people who are the solid important substance of our great nation. Farmers and business people who are directly connected with farming - the total group of people who have the responsibility as well as the pleasure each spring to plan and to move forward so as to produce more Food for our people as well as some of the food for people in other nations.

On Saturday, May 31, 1969, at the Winneshiek County Fairgrounds in Decorah, Bolson's will disperse the entire herd of HTR Polled Shorthorns. There will also be in this dispersion a few really good horned Shorthorns. All cattle and calves born at HTR have at least a cross of Polled blood in them. It is our wish that each and every animal sold will prove to be worth more than they cost.

Why are we dispersing the HTR herd? First, I am getting to the point in life where I feel a little lighter load should be in order. Second, the manufacturing and selling of formula feeds and concentrates are important to us because of the large investment we have in it. Therefore, I will have more time to devote to this aspect of our business, to give more of my time helping farmers do better with their livestock.

Your family and your friends are invited to our sale. Every animal selling will be honestly represented. They all came through the winter in wonderful condition. Our slogan is if you attend our sale, you will always be glad that you came.

Best Wishes,

HILL TOP RANCH
L. C. Bolson Families, Owners

P.S. Beauty is as beauty does, we like to refer to the Natural Beauty of the HTR Cattle on the front cover.

General Information

TIME — Saturday, May 31, 1969. Winneshiek County Fairgrounds in the eastern part of Decorah. Brood Sows sell at 10:00 a.m. Cattle sell at 1:00 p.m. D.S.T.

TERMS — Cash

GUARANTEE — All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The personnel have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

HEALTH — All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variation between the laws of Iowa and their own states. Interstate health certificates will be furnished. In addition, calfhood vaccination for Brucellosis has always been practiced.

CERTIFICATES OF REGISTRY — Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

BREEDING DATES — Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over the date in the catalog.

CATTLE AUCTIONEERS — Tom Sherlock, Oxford, Iowa; Bob Sherrard, Jr., St. Ansgar, Iowa.

BROOD SOWS — Vernon Ruen, Decorah, Iowa.

VETERINARIANS — Decorah Veterinary Clinic.

PERSONNEL — Albert J. Hamann, Rock Rapids, Iowa — Sherman Berg, Omaha, Nebraska — American Shorthorn Ass'n, Bill Stunkel, Fremont, Nebraska — Shorthorn World, Gene Fitzgerald, Cedar Rapids, Iowa — Drovers Journal, and Wade Hauser, Jr., Des Moines, Iowa — Wallaces Farmer.

CLERK — Security Bank & Trust Co., Decorah, Iowa.

MAIL ORDERS — Mail order bids may be sent to any of the personnel listed. They are very reliable people.

BOLSON PHONE NUMBERS — Area Code 319 382-3675 or 319 382-4781

COME MEMORIAL DAY

If you can, plan to stay over, we will make reservations for you at either the modern Winneshiek Hotel or the fabulous Cliff House Motel. Also if you come from a distance Mrs. Bolson and I would like to have you as our supper guests at 6:30 P.M. at the Cliff House, May 30th.

Decorah has a municipal airport with 2800 foot hard surface runway so you can fly in. If you do fly phone us and we will pick you up. If you come by jet to either Waterloo or Rochester we will pick you up. And to top it off if you buy cattle we will share delivery costs. We will do our very best to make you a satisfied customer. Make it a weekend you'll always remember.

L. C.

P. S. People from the west and north who plan to take in the Southerland Sale, June 2 could stop at our sale on the way. Bill Stunkel, special representative of the Short-horn World will be here early Memorial Day evening. We feel sure he is looking forward to spending the evening with his many friends. There is no finer place in the world to spend the evening than right here in Decorah. Be sure to bring your wife or a friend with you. Also please bring your Catalog with you.

POLLED SHORTHORN BREEDERS SHOULD HAVE THAT RAINBOW SPARKLE OF VICTORY IN THEIR EYES.

Right now you can label Polled Shorthorns as "Blue Chip Cattle" because Shorthorn Breeders want them to transmit the poll gene in their cattle. Ranchers want them to cross with their beef herds to give the extra vigor in their calf crop and the added tonnage at market time, a heifer to keep to raise calves from, if she is $\frac{1}{2}$ polled shorthorn and say $\frac{1}{2}$ angus or hereford will milk much better, will also be gentler. Dairy farmers are also looking for Polled Shorthorn bulls to cross with their cattle to give the kind of quality packers like to see on the rail. At our sale we would like to see some new herds started to take care of the demand for Polled Shorthorns. At our sale you can select half a dozen or a dozen cows and heifers, also a bull to fit. Try to come Memorial Day or early Saturday so you can go over the offering carefully.

SETS DAILY GAIN RECORD

Mitchlett Radium I, a registered Shorthorn bull owned by Clinton Huntington, Eureka, Kan., and bred by Mr. and Mrs. Clarence Mitchell, El Dorado, Kan., set a new U.S. and Canadian average daily gain record for the breed of 3.89 pounds on an official 140-day performance test. The bull weighed 575 pounds when he went on test and 1120 pounds at one year and 24 days of age when the test was completed. Sonic probe showed a total rib eye area of 12.57 inches.

Bill Stunkel says: "May 7th, 1969, I just returned from the Stanford Bull testing station sale where the Polled Shorthorn Bulls averaged \$1,200.00 with a top of \$7,200.00. They sure like Polled Shorthorn Bulls in that country although some of the better ones come east."

1968 Illinois tested Bull sale, Bulls averaged \$721.00. Topping the sale was a Shorthorn selling at \$1,550.00, having a 365-day weight of 1,063 lbs.

WHY USE SHORTHORN BULLS?

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted: Catron did not guess — he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Ave. Weaning Wt.	Total Lbs.
Shorthorn	47	330 lbs.	15,510
Hereford	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantage and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.

It's been a good year for shorthorns and Polled Shorthorns and the outlook for 1969 is even better. Just look at the recent figures released by the American Shorthorn Ass'n. Registrations UP 10%. Transfers UP 7%. And, most important, new members UP 3%. Junior members UP about 500%!

VALLEY VIEW VILLIGAR

We purchased Valley View Villigar at the National Polled Shorthorn Congress Sale in Lincoln, Nebraska, in 1946 along with three heifers. He was a good one.

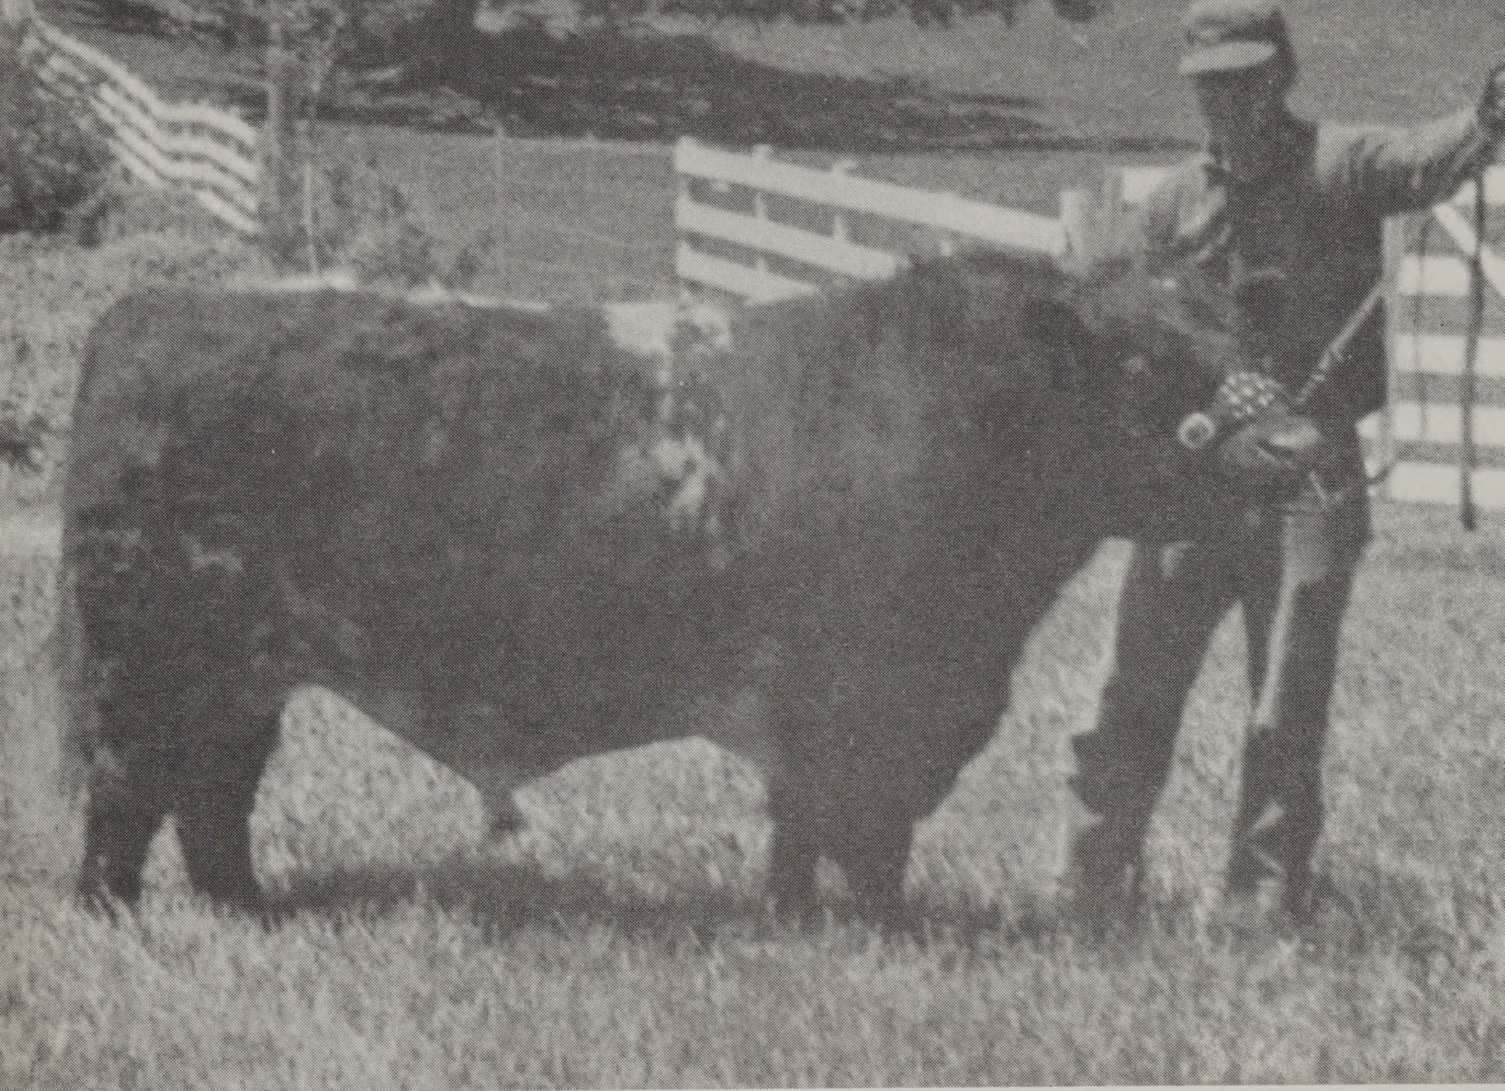

Our present Herd Bull — Lot 1 in this sale is a good one and all the Bulls in between have been good ones. You never go wrong, if you buy a good Bull even though he costs a few hundred dollars more. Mated to a good bunch of cows, he will make it up with the first calf crop.

In the past several years, H T R has sold more Bulls for cross-breeding than to Purebred herds.

We asked two commercial cattle farmers what they thought of H T R Bulls.

Bakken Bros. who farm west of Decorah, and run 100 commercial cows used a H T R White Bull with their Hereford cows. Their comment was that they now have heifers from this cross that have calves and these cross-bred young cows milk real good, and the calves grow fast.

Eldrid Banger, Mondovi, Wisconsin, who run Angus Cows, is now using his second H T R Bull and he too is very well pleased with the calves from this Cross. In fact, I saw his Fall calves not long ago and they came through the Winter in wonderful condition. I can tell you they sure looked rugged after a hard Winter.

FORESIGHT SUPREME was Grand Champion at the 1967 Minnesota State Polled Sale. His pedigree is a good one, double bred Thieman on the sire side. Straus, Lynnwood, Fennern and Husco on the dams side. Then, too, his calves in the sale will be evidence as to his worth. Take a hard look at his snapshot picture on the front cover. You can drive across the continent to buy this good sound bull. While he is recorded horned he has 9 polled crosses in his pedigree, 5 of them right up front. He is young, long, big and heavy.

H T R CAMERO 67TH. I feel he is as modern a BEEF BULL as will walk into any Sale ring this spring season. Regardless of breed, his pedigree is star studded. Grandpa T P S Max Coronet 92nd was an International Grand Champion and weighed 2400 lbs. in his prime. Great grandpa Crocus Emblem 2nd was by Calrossie White Emblem, the bull that sired the dam of Kelburn Great Event. Thomas Max 9V was the top Polled Bull at the 1967 Canadian International where we purchased him.

On the Dam side you find Leveldale, Davidson and Bunker. I like the terms Leveldale uses, "Our cattle have beef where it counts".

It is hard to say just how much H T R Camero 67th is really worth as a meat type Bull. Five years from now he could easily be worth - say \$10,000 or more.

Final You'll have a hard time finding a Polled Bull that is bigger, longer, smoother or sounder than H T R Camero 67th.

SIDE VIEW

We run a side view sketch taken from Shorthorn World, of a modern meat type Steer just across from information about H T R Camero 67th, so while you sit in the Sale you can make some comparisons.

Animal A is clean and free of extra leather in the throat area (1), clean and neat in the brisket and dewlap (2), and shows extreme muscle development in the forearm area (3). Note the substance of bone (4) that animal possesses in the cannon bone area; as mentioned previously, large bone size is positively related with muscling. Animal A is very clean and neat in the middle (5) and at the same time shows extreme length of middle. This could well be referred to as a very tight middle and a clean long underline. Animal A is tucked up a bit in the rear flank (6) which is quite acceptable under present day evaluation standards. In past years it was practically unknown for a champion animal not to have a deep full flank. Research has yielded considerable evidence that this extra depth and fullness in the flank was due to nothing but fat waste.

Animal A has a very long, straight topline which is a desirable characteristic in modern day cattle. Usually strength of top is related to above average muscling throughout the body especially when it is found in an animal that possesses the body length that Animal A exhibits.

H T R AVCO PRINCE 67TH. If you are looking for a real big Bull here is one. He is a half brother to our Grand Champion Heifer at North Central Iowa show and sale at Mason City, Iowa, last spring. His dam was in my estimation the best horned shorthorn cow ever at H T R. We had the misfortune of loosing this cow last summer. Put this fellow with your angus, Hereford Charolais or dairy cows, and sit back and bank the extra dollars you will get from such a cross.

H T R COLORPLATE 67TH. How good a herd bull would you like. Here is a Bull that will not be two years old until August 1st. I would like to go over this bull with you, as an individual and also as to his pedigree. Come early lets go over these cattle. His sire was the top Bull at the 1967 Canadian International and one of the best pedigreed bulls ever to leave Canada. H T R Stardale 10 was one of the largest Bulls ever developed at H T R. He sired a grand champion Heifer at Hawkeye Downs. Corona Paymaster was by Cherry Hill Royal Oak. An international reserve champion.

H T R CAPRI is a grand bull through and through. He is really a sound Polled Bull, should be a dehorner as 11 of his ancestors out of 14 are Polled. Check lot 2 for description of his sire. Lazy T Archer was a reserve champion at Sioux Falls, South Dakota. Clipper Alauna 6th was a reserve champion at Hawkeye Downs. Looking at his snapshot picture you may think that his hind legs sickle under, this is not true, his feet and legs are near perfect. We took the picture on a sidehill, that is the reason he stands as he does.

Wayne Benzing, H T R herdsman at the halter of the Grand Champion Female at the 1968 North Central Iowa Shorthorn Sale. First time in history a Polled Shorthorn has won this award.

H T R **Cows and Heifers**

We will write no foot notes for our cows and heifers but will give detailed information from the block. To date we have 23 calves born since April 16th and expect several more. **Please** check each pedigree carefully, note that some of the worlds very best blood lines are in these pedigrees. In our sale we are selling every sound female cow or heifer that we own. You can buy with confidence here. Cattle may be insured through Harding and Harding.

There will be a lunch stand on the grounds sale day. Come rain or shine, lots of hard surface parking and buildings are the best.

We are real proud that the H T R Cattle won the Hawkeye Downs Female Traveling Plaque. This had to be won three times before a breeder could become the owner.

In cow country H T R Polled Shorthorns have been as good as the VERY BEST. Today they are at their peak. Following are a few of our champions. We also had many, many reserve CHAMPIONS and many, many, many 1st and 2nd prize winners. Our customers have also shown many CHAMPIONS.

CHAMPION Bull and CHAMPION Female

— Hawkeye Downs Spring Sale, 1955,
W. N. Anderson, Judge.

CHAMPION Bull — Iowa Polled Sale, Ames,
Iowa, 1955. George Edwards, Judge.

CHAMPION Bull — Sioux Empire Sale, 1956.
Walter Larson, Judge.

CHAMPION Female — Omaha Polled Short-
horn Sale 1958. Harold Thieman, Judge.

CHAMPION Bull and best pair — North Iowa
Polled Sale 1958. Floyd Clausen, Judge.

CHAMPION Bull — Hawkeye Downs Spring
Sale 1960. W. N. Anderson & Bob John-
son, Judges.

CHAMPION Female — Iowa Polled Short-
horn Club Sale 1961, Des Moines. Josef
Winkler III, Judge.

CHAMPION Female — Hawkeye Downs
Spring Sale 1962. Robert Kerr, Judge.

CHAMPION Female — Hawkeye Downs
Fall Sale 1963. Roy Rutledge, Judge.

CHAMPION Female — Hawkeye Downs
Spring Sale, Mixed Competition 1964.
Glen Struve, Judge.

CHAMPION Female — North Central Iowa
Sale, Mixed Competition 1968. Jos Big-
lands, Judge.

ANIMAL SCIENCE

L. C. Bolson
Hill Top Ranch
Decorah, Iowa 52101

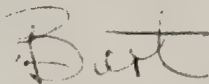

Dear L. C.:

I noted from your ads in the Shorthorn World that you will be dispersing your herd on May 31. I'm sorry to hear that you will be leaving the Polled Shorthorn business because I know the great pleasure you derived from your cattle. I well remember purchasing my first purebred heifer from you at Spencer in 1955. This started me with a very pleasant association with Polled Shorthorns. I also remember the encouragement and assistance you gave to both my sister and me and especially when you made a special trip from Decorah to Iowa Falls to help us with our steers before the county fair. I also know that many other young people have received much assistance from you. Your enthusiasm was something that was very "catching". I'm sorry I won't be able to make it to your dispersion but I would still appreciate receiving the catalog.

My Ph.D studies are progressing well and I like Fargo and North Dakota State very well.

Hope you have a most successful sale.

Most sincerely,

Bert L. Moore
Graduate Assistant

BLM:kk

Dear Bert:

Thank you, Bert, for your nice letter. I am glad that you are tackling Animal Science.

These two words "Animal Science" call for a challenge, which involves work, patience, experiments, distance thinking, trials and tribulations - yet the entire world lives on Food. Animal Food is important, so you are in a field of service that I am sure your efforts will play a part in keeping this country ahead.

My very best wishes must go with you.

L. C.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

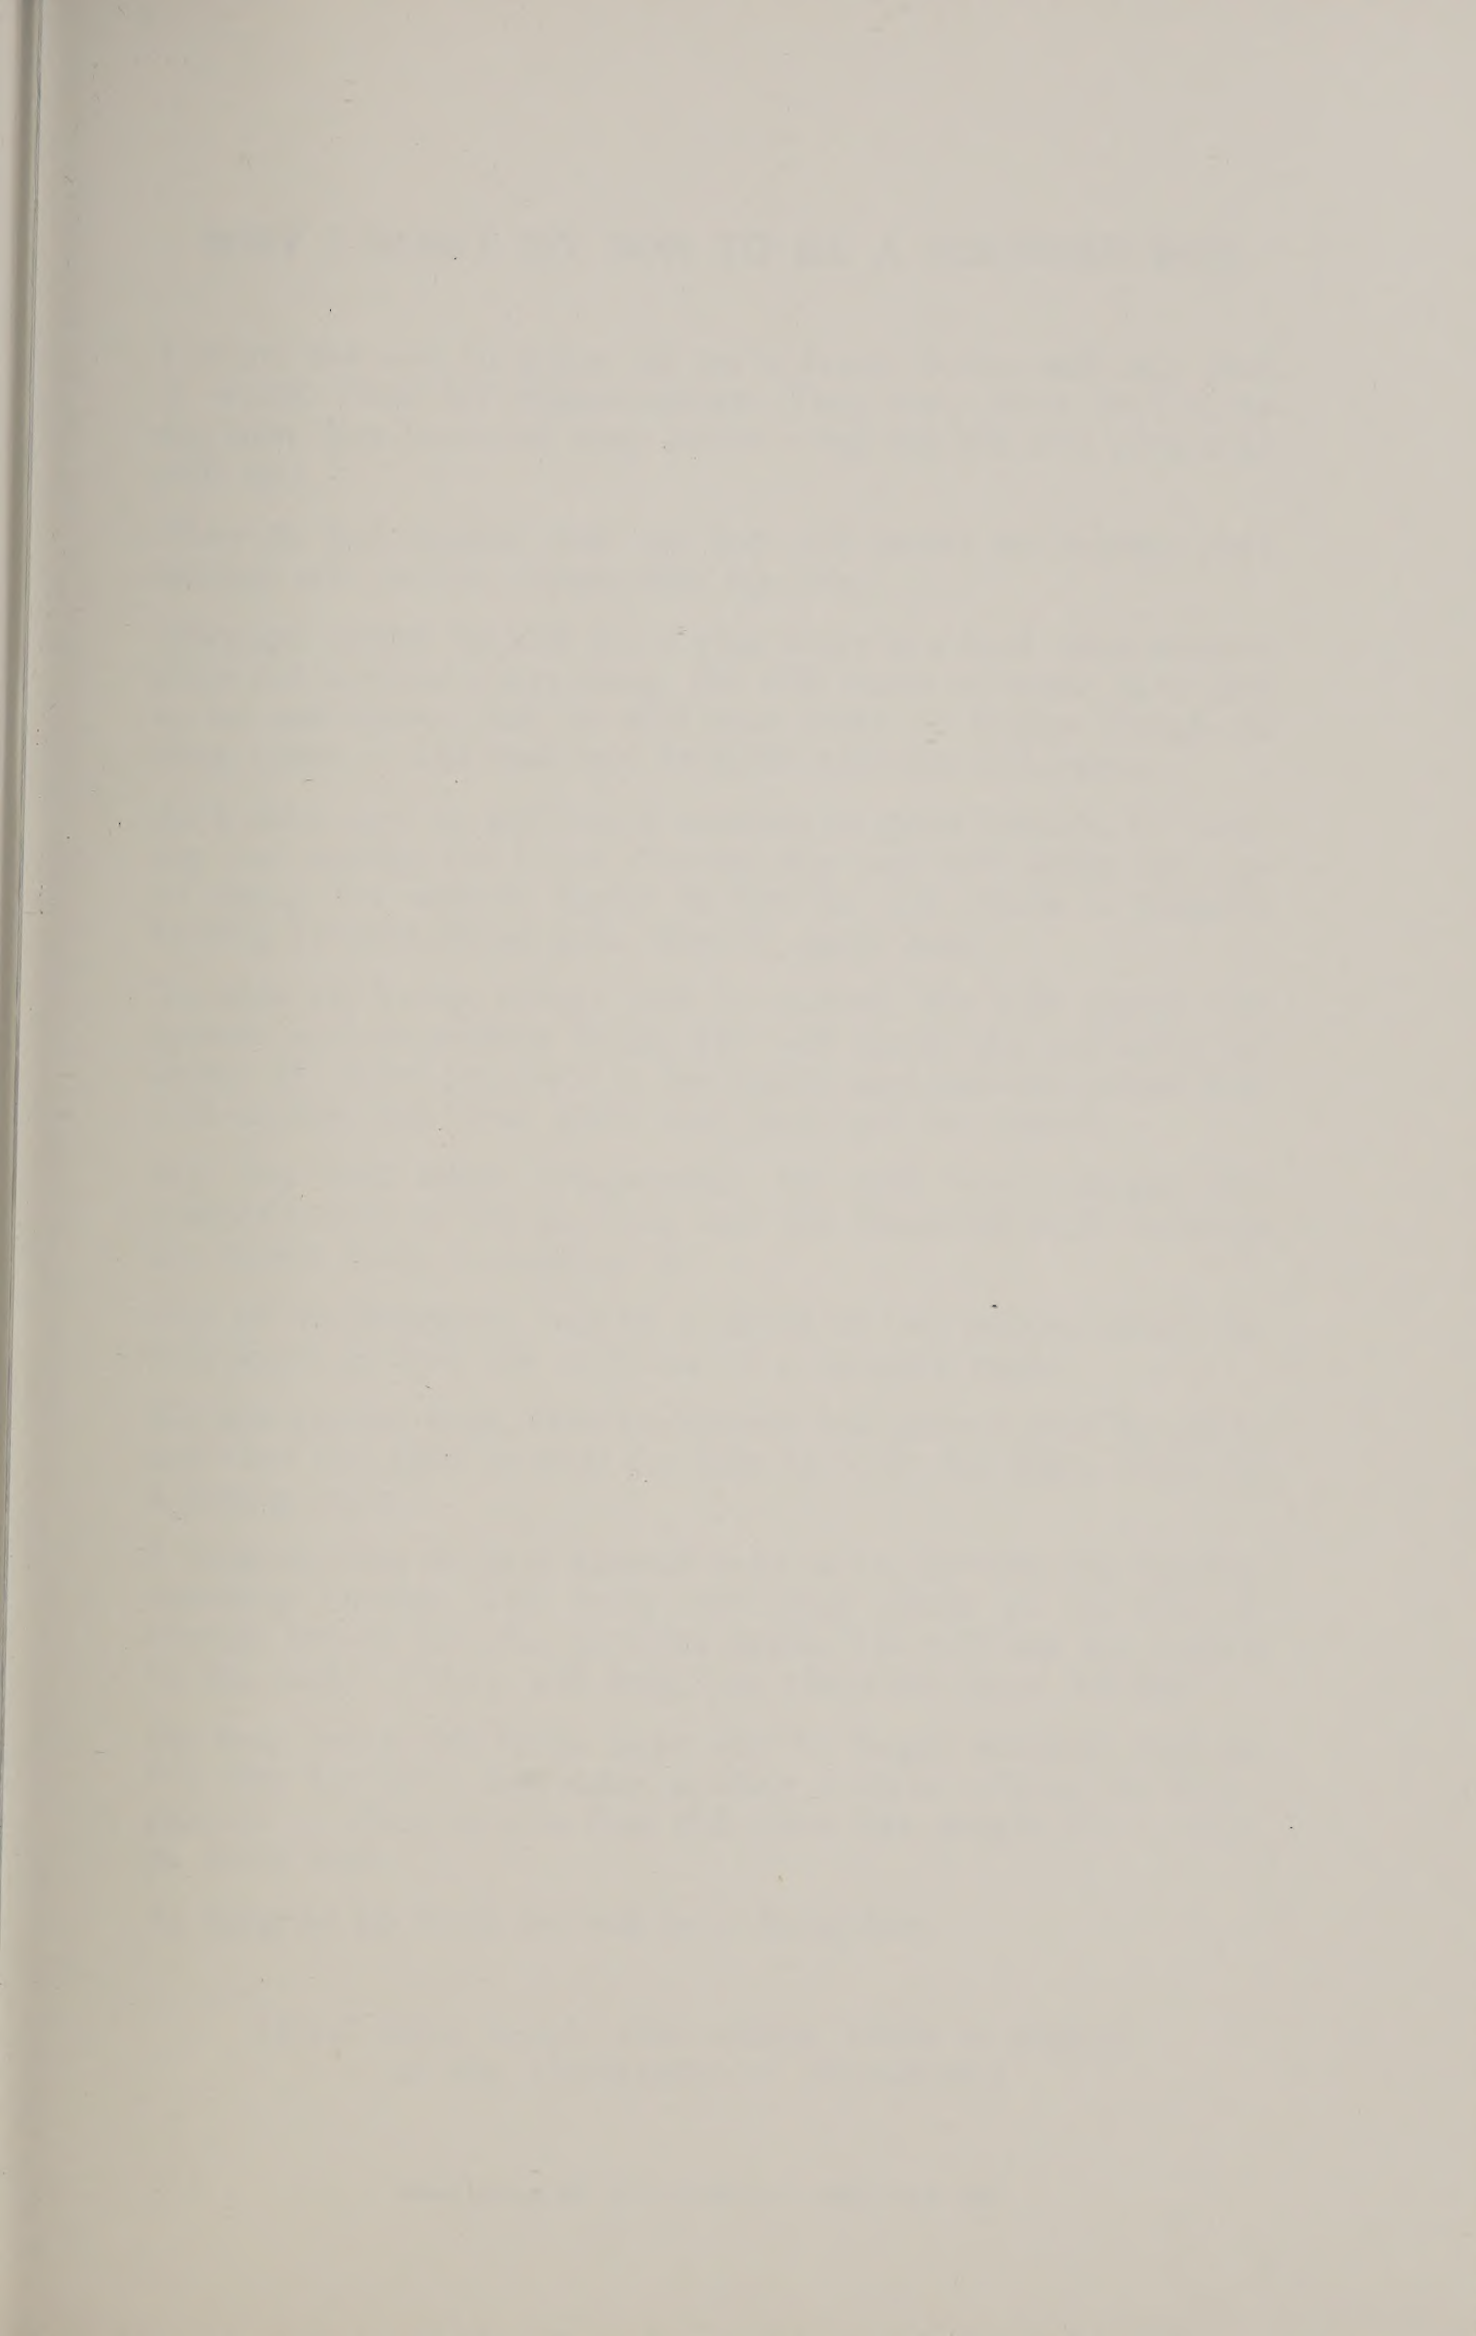

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

WHY I WANT MY SON TO BE A COUNTRY BOY

I want my son to grow up on a farm. Some will say that it would limit his opportunities. They may even feel sorry for him. But how can they know what his life and pleasures will be?

They do not realize that my boy will never be lonely; that nature will be his companion for life.

Through nature he will know that there is a God: that science does not control everything. He will learn to work hard and to be ambitious; but he will also learn to accept things as they come — the hail and drought and the unforeseen.

As a farm boy he will know animals as good friends. In feeding and caring for those friends, my boy will learn the joy of doing for others. Early in life he will know a father's feeling toward those who depend upon him.

To him all living things will be sacred. He will watch life appear and reproduce itself. He will learn the certainty of death. Its quiet presence in the plants and animals about him will assure him that life's end need not be feared.

My boy will learn compassion. He will never forget the kildeer's nest in the pasture, and the fence he built to keep the cows from trampling it.

One of his pleasures will be a shack in the woods, where he will learn to love the stillness of a country night.

He will realize then, that he himself has grown year by year, and that the time is near for him to start his life's work as a young man.

I want my boy to hear church bells as he finishes his Sunday morning chores. The bells will ring again as he sits in church before the the services begin. He will set his watch by the bells — they will help him chart his days, his life.

He may leave the farm some day to begin another way of life. But his faith, his sense of duty toward others, his compassion — these truths that the farm has taught his — will go with him.

As long as he lives, he will be a farm boy.

(Karl Ohm wrote this article while a student
at the University of Wisconsin)

Come with an Optimistic Attitude

because on May 31st, 1969 the sun will come up in Decorah and where you live the very same time as it did one year ago and it will set where you live and in Decorah in the evening the same time as one year ago. So

come with a spirit of faith and thank God the Creator of us and this good earth where we live and work. Also thank the Almighty that you are a farmer. Today as no other time in our history has the outlook for farming been better. Why? The answer is simple, Demand has caught up with supply, prices for Beef, Pork, Lamb, Poultry, Eggs and Milk on the average has been, during the past 12 months, the best in a decade and remember this, no corporation farmer will ever be able to match a **well managed family** owned farm. It is fine to reminisce about the past but we live today and must be optimistic enough to plan for the days ahead. So please come with an optimistic attitude, bring your family with you, visit with other farmers.
